

Thabang Mashiane

Actress

Thabang Mashiane is a trained actress with a BA in Live Performance which she obtained after a three-year course at Afda. Her training began in high school, at Curro Heuwelkruin, under the guidance of Nicole Senekal with the focus being in Stage Performance. She graduated high school with two prestigious awards in the creative arts, and an opportunity to perform at Woordfees 2017 through the National Arts Competition.

In the same year she started her training at AFDA: School of Creative Economy, with her major being Live Performance, throughout her studies at Afda she broadened her skills by co-writing scripts alongside Screenwriting and Directing students. She graduated with an award as Best Actor in Television 2019 and two film writer credits.

She has since continued to sharpen her acting skills while also assisting in different departments on film sets, in order to broaden her understanding of the process of filmmaking as well as starring in short films throughout the last few years.

Thabang is passionate about storytelling and the impact it has on the socio-economic climate of the world at large. She constantly working towards becoming a multi-faceted creative with strong sense of social awareness, keen skills in acting and screenwriting, and the ability to adapt to all mediums of performance with great ease, knowledge and skill.
