

## Cassidy Nicholson

Actress | Screen writer | Content creator | Stand up comedian

Cassidy Nicholson, also known online as, A GIRL NAMED CASSIDY, is a professional actress by trade, as well as a certified screenwriter, content creator, casting director and now stand-up comedian

Cassidy's content focuses on comedic skits, social commentary and character creation through her acting as well as authentic living all while managing to incorporate her insanely funny sense of humour, giving the content, we think we've seen, a refreshing, new twist.

She became well-known on TikTok for playing a multitude of characters, Constantia Mom being one of them.

Cassidy has worked in the industry for over a decade, alongside the likes of many household names.
